Those born between December 1st and 21st are Archers of Sagittarius. Archers are both confident and lucky, so they often find success. Their infectious enthusiasm attracts friends to help them achieve their ambitious and lofty goals. Those born between December 22nd and 31st are Capricorn's Goats. Capricorns are independent, detail-oriented, patient, and self-sufficient. These qualities help the sure-footed goats achieve stability and security needed in their lives.
