February Birthdays

In astrology, those born between February 1st and 18th are Aquarian Water Bearers.

Aquarians have attractive personalities, vivid imaginations, strong intuition, and a thirst for knowledge. They also share a strong desire to help humanity and create unity. Those born between February 19th and 29th are Pisces.

These Fish are spiritual types who feel comfortable in their introspective natures. As passionate, romantic, creative dreamers, they are charitable helpers who "go with the flow."
